Som en utbytesstudent lär man sig en massa saker. Jag är inget undantagsfall. En av de finaste sakerna jag lärt mig är den amerikanska vänligheten, jag bemöts av från amerikanare i allmänhet och mina värdfamiljer och skolkamrater i synnerhet.

Hans Babe,
Don't forget Chem. class and the parties--we love ya (p.s.--the deionized water has been locked up)
Emily Frankewich

Hans,
We'd all like you to know your being a manager for us this year was a great part of our success. If you hadn't swept the field house floors, we all would have come down with gangrene. We all know you tried. Better luck next time!
Sincerely,
The Herkimer Football Team 74

Hans,
Remember all the good times we had in volleyball. Remember all the hard practices. Ha! Ha! Good luck in the future.

Hans,
When you get back to Sweden, I hope you are the best manager your Soccer Team ever had. If you need help finding the tape, just call Herkimer, N.Y. & ask for me.
Dan DeMars 76

Dear Hans,
I hope your year in Herkimer has left you with many happy memories. You have done a lot for the image of Sweden and provided me with a good picture of what the Swedish people are like. I wish you much happiness.

JUNE

Last June I saw your face three times,
Three times I touched your hand,
Now, as before, May month is over,
And June is in the land.

O many Junes shall come and go,
Flower-footed o'er the mead;
O many Junes for me, to whom
Is length of days decreed.

There shall be sunlight, scent of rose,
Warm mist of Summer rain;

Only this change--I shall not look
Upon your face again.

1 CORINTHIANS 14

If I speak in the tongues of men and angels, but have not love, I am a noisy gong or a clanging cymbal. And if I have prophetic powers, and understand all mysteries and all knowledge, and if I have all faith, so as to remove mountains, but have not love, I am nothing. If I give away all I have, and if I deliver my body to be burned, but have not love, I gain nothing.

Love is patient and kind; love is not jealous or boastful; it is not arrogant or rude. Love does not insist on its own way; it is not irritable or resentful; it does not rejoice at wrong, but rejoices in the right. Love bears all things, believes all things, hopes all things, endures all things.

Love never ends; as for prophecies, they will pass away; as for tongues, they will cease; as for knowledge, it will pass away. For our knowledge is imperfect and our prophecy is imperfect; but when the perfect comes, the imperfect will pass away.

When I was a child, I spoke like a child, I thought like a child, I reasoned like a child; when I became a man, I gave up childish ways. For now we see in a mirror dimly, but then face to face. Now I know in part; then I shall understand fully, even as I have been fully understood. So faith, hope, love abide, these three; but the greatest of these is love.

Alma Mater by Irene Welk & Max Kapp

Where the silvery Mohawk's flowing,

As it wends its peaceful way,

There's a spot of fondest memory

to Alumni, young or gray,

there our dear old Alma Mater

Stands throned midst hills of green,

As the white clouds bend above her,

She's the fairest ever seen.

Oh her sons and daughters love her,

With a love that knows no end,

And with garlands fair entwine her,

As her honor they defend

For her ivy walls are sacred

to the scenes of glad-spent days,

And our voices rise in parting

As we sing her endless praise.

STAFF

Don't forget EHP of course.
Your marks can't really be much worse.

No wonder everyone is so apathetic.
There's no excitement, nothing's unexpected.

The only conclusion it would seem,
Is not to sit in school and daydream.

ACTIVITIES

School is just what you make it to be.
It doesn't have to be uninteresting.

It's a place to learn, a place to share,
A place to experience and to become aware.

It's a place that can grow as a part of you.
It teaches you life, using you as it's tool.

—JOSTENS—

AMERICAN YEARBOOK COMPANY

Man is challenged today to excel in almost every endeavor . . . those who do succeed often trace the beginnings of their performance pattern to accomplishment in high school and to those who offered stimulation and inspiration in these formative years. Josten's has long been a partner to these educational leaders in providing a means of motivation and the rewards of recognition, and Josten's products have become tangible symbols honoring perseverance and achievement.

The class ring is representative of the fine traditions of school spirit and unity ☐ The yearbook provides a lasting memento of the year's accomplishments ☐ The diploma is a lifelong record of scholastic success ☐ The graduation announcement heralds this achievement ☐ Awards recognize academic and athletic leadership.
